

# St Luke's Catholic Primary School Newsletter

Friday 30th September

## Ordinary Time

Thank you to all the parents who attended the Curriculum evening this week. We hope this provided an informative insight into the expectations of this academic year as well as being a more informal way to meet your child's new class teacher. Thank you to all the parents who have completed feedback sheets, we appreciate feedback given as this helps to drive forward improvements.

Feedback from the E-Safety workshop for parents indicated this was very worthwhile and thought provoking. This remains a focus with all our pupils, ensuring that they are responsible in their use of technology and that online safety is a priority at all times. We have organised pupils sessions for all our Key Stage Two pupils later in the year.

Looking forward, the Year Five and Six residential at the Conway centre takes place next week. The children will experience a whole range of activities during their stay. I hope you will join us in following them on twitter for our regular updates.

Bishop Mark will be visiting the parish next weekend; he will be attending the Saturday evening mass at 6pm and Sunday morning at 10.00am where there will be tea and coffee served in the parish centre after mass. I am sure he will receive a very warm welcome.

E M Murtagh

Head teacher
