

St Luke's Catholic Primary School Newsletter

Friday 21st October 2016

Ordinary Time—Month of the Rosary

Thank you to Father Kenny who celebrated mass with us on Tuesday to celebrate the feast of St. Luke. In the afternoon the children enjoyed musical entertainment provided by Key Strings.

Thank you to all the parents who attended our mathematics workshop yesterday afternoon. We hope you found it to be a beneficial insight into the teaching and learning of mathematics, as well as gaining knowledge and experience to help support your child's learning. It is important that we work together in order that all children receive their true potential. If you weren't able to attend a copy of the PowerPoint will be placed on the website, also if you wish to request any further information please contact a member of staff.

A big thank you to all the children who brought bedding plants and bulbs to school today. It was lovely to see the effort and enthusiasm of all the pupils. We hope in the coming months they will enjoy the fruits of their labours.

Next week we will celebrate our harvest assembly, we will gratefully accept donations of tinned and packet food which will be donated to the Poor Clare's community on your behalf. As always we thank you for your support.

Poppy Cascade

The official opening of the Poppy Cascade is at :-

**Frodsham Medical Practice on
Sunday 30th October 2016
at 11am.**

Please go along and see all the hard work the children have put into this wonderful display.

Parking on The Willows

We kindly ask you to show consideration to the residents of The Willows during the drop off and pick up times. When parking, please ensure the safety of the children is paramount.

Maths Workshop

Thank you to all those parents who attended our Maths Workshop. It was a very successful workshop and we look forward to receiving your feedback. See our website for the PowerPoint presentation.

This week we have been learning all about spiders and learning a 'clever' word to describe them - Arachnid. We have looked for spiders webs and made our own using different craft techniques. We also made our own spiders (getting covered in

Friday Fun Question : What belongs to you, but others use it more than you do?
