## We Remember Them

We welcome everyone back to begin this new half term. Already the first week has been very busy but enjoyable. On Wednesday evening we had our first meeting with the parents of those children taking part in this year's sacramental programme. Thank you to all those parents who attended, if you were unable to attend this meeting for any reason and wish your child to be included, please could you speak to either myself or Mr Taylor to confirm your intention.

Last night, the children and staff enjoyed yet another one of our very successful movie nights, this event has raised within the region of £300. Through the FoSL we will keep you updated on how this money will be spent.

Today two pupils from Class Six; Alex Steele and Matthew Read attended the Frodsham memorial service and placed a wreath on behalf of all the pupils at St. Luke's. It was a privilege to join other members of the community in honouring those who've lost their lives so that we may live ours in peace and freedom.

Finally, it has been noted that a number of children currently attending Earlybird sessions are arriving late. These twenty minute sessions are designed to provide support and encourage confidence in learning. Please make every effort to maximise this time by ensuring your child arrives promptly.

# This week's Events

## Poppy Appeal

A big thank you to all those children who kindly made donations for our Poppy Appeal this week and a special thank you to Beatrice Lawson, Eva Connor, and Daisy Deegan for doing a wonderful job at break times ensuring that all children had the opportunity to be a part of this very special memorial event. We look forward to hearing how much was donated by our school in the coming weeks. We are very proud of our children for their generous nature and the school was represented at the memorial service at the cenotaph by Alex Steel and Matthew Read who laid a wreath on our behalf.

## Movie Night

As always Movie Night was a great success, the children had a wonderful evening watching their chosen film. Watch this space to see how much was raised for the school. A big thank you to FOSL and the staff for making this such a fun event.

## Football

This week we were given the opportunity to take part in a 5 a side Football Tournament. A number of children from Years 3-6 were chosen to represent the school in two teams. The weather was horrendous, but team spirit would not be dampened even if they were, and they all did extremely well. A huge thank you to those parents who helped and supported the teams even in such bad weather (hale stones!).

### Children in Need

Next Friday we will be joining in with the Children in Need Appeal. We have decided to have a non-uniform day. We kindly ask you to donate cakes for the cake sale on Friday afternoon. Cakes will be sold at 20p a cake.

### THANK YOU.

A big thank you to parents for helping us keep dinner accounts up to date. This makes a huge difference to the efficiency of providing school meals. We very much appreciate parents logging on regularly and putting credit on before a school meal is required.

### Well I never !

The longest carrot was grown in Nottinghamshire and reached a MASSIVE 5.8 metres! You would definitely be able to 'see in the dark' after eating that one!! Why don't you measure 5.8 metres and see how big it must have been.
