

St Luke's Catholic Primary School Newsletter

13th January 2016

Ordinary Time

I would like to welcome back all our families and on behalf of all the staff wish you all a happy new year.

As we begin this new term, you will receive a copy of the Spring term diary, advising you of the many events that will be taking place.

I would also like to take the opportunity to reiterate the importance of regular attendance and advise you of the detrimental effect school absence has on your child's progress. Also the need for a punctual start to the school day, if your child is late; not only does this have a negative impact on their start to the school day but is also disruptive for other class members. We kindly ask for your support on this matter.

Fit Bit Watches

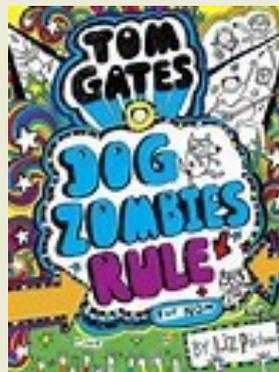

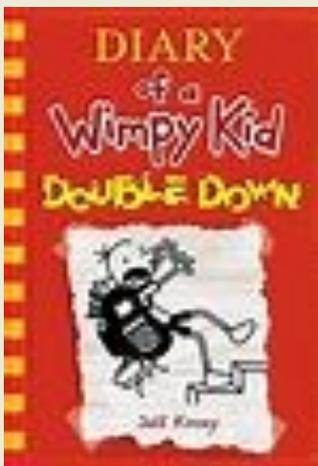

To avoid being damaged or lost, we kindly ask that children do not wear Fit Bits to school, as they are an expensive item, and will have to be removed during PE sessions for health and safety reasons.

If children are seen wearing them they will be asked to remove them and hand to the school office for safe keeping where they can collect them at the end of the school day. Thank you for your support.
