

St Luke's Catholic Primary School Newsletter

27th January 2016

Ordinary Time

Thank you to all the parents who attended Wednesday evening's Sacramental meeting. This was an opportunity to participate in group discussion and to share our views on the Sacrament of Reconciliation. Thank you also to Father Kenny who led us in prayer. We will keep all the children in our prayers as they continue their preparation.

Next Tuesday, parents are invited to attend a Primary Writing Project workshop which will allow us to share with you aspects of the project. A selection of pupils from each Key Stage will demonstrate how the Primary Writing Project has impacted on their writing skills. We do hope you will be able to join us.

Next week, our year six pupils will be visiting the Houses of Parliament. We are all looking forward to this trip, especially as it will be an opportunity to observe a live debate. I am sure we will have lots of news to share on our return.

I would just like to reiterate the message below and kindly ask that we are respectful of all residents, moreover, put safety of everyone first!

FOR THE SAFETY OF OUR CHILDREN

Can we remind parents not to park on the Zig Zag lines outside school ,this is for the children's safety. Also, whilst we understand that parking is difficult during drop off and pick up times, we ask that you be respectful and considerate to our neighbours. Some parents are parking on the pavement forcing parents to walk with their children on the road. This is potentially a very dangerous situation. We have once again asked our local PCSO to monitor this situation.

St.Luke's v Helsby Hillside

St Luke's football team played a really good match that was not reflected in the score. Well done to all the team and thank you to all our supporters. Final score 5-2 to Helsby.

Good Luck to:

Carys Evans who has been chosen to take part in a Gymnastics competition in Ireland . Look out for details in next week's newsletter how Carys got on. (A budding Olympian ?)

Also:

Emily Murphy who is taking part in the Kingsley Player's production of 'A Mouse's Tale' this week. Get her autograph now a famous actress in the making!

Eat well

Move More

Live Longer

Next week two of our children will be going to Ellesmere Port to learn more about 'Change 4 Life' and how it can impact on our daily lives. We are looking forward to their feedback on how we can become healthier in 2017!

Following on from this children will receive a pack to share with their family encouraging us all to be 'Food Smart'.
