3rd February 2017

## Ordinary Time

This week school provided a workshop for parents to share aspects of the '**Primary Writing Project**'. Thank you to all those who attended, we hope you found it informative. Although only a term in, we're already noticing the impact. We hope by visiting the classrooms you were also able to get a flavour of this too. Thank you also to those parents who have provided feedback. We value the comments made and will respond to the feedback given in order to improve what we are able to offer in the future.

It was a delight and a privilege to accompany our year six class on their trip to the Houses of Parliament this week. In a building steeped in history; we were fortunate to be there on a day when history was being made, yet again! We are confident the children will have lots to take away from this experience. Thank you to Mr Lambe, Mrs Vaughan and Mr Broome for their help and support on the day.

### **Dinner Accounts.**

**Thank you to parents for logging on regularly now to keep dinner accounts up to date. This has had a great impact on the management of and administration of the accounts . Also to parents for being so prompt in payments for trips and events.**

### **FOR THE SAFETY OF OUR CHILDREN**

Can we remind parents not to park on the Zig Zag lines outside school ,this is for the children's safety. Also, whilst we understand that parking is difficult during drop off and pick up times, we ask that you be respectful and considerate to our neighbours. Some parents are parking on the pavement forcing parents to walk with their children on the road. This is potentially a very dangerous situation. We have once again asked our local PCSO to monitor this situation.

## Menu Week -2

This week we have been talking about jobs people do, especially linked to people who help us. We have explored being doctors and vets. If any parents can come and talk to the children about their jobs next week, then please let us know.

## Well done!

India O'Reilly was invited to take part in a football tournament at Helsby High school last week. India fitted into the team superbly. Feedback from the school was **'she is a lovely polite young lady and is an excellent footballer. She is a credit to your school'**.

## HOUSES OF PARLIAMENT AND DOWNING STREET.

Year 6 had a fantastic day trip to London on Wednesday visiting the Houses of Parliament. It was an opportunity to take part in Workshops that focused on the importance of Elections and Voting. They then went on to No. 10 Downing Street and had a photograph at one of the most important front doors in the country!

## Reptile Assembly

Reception and KS1 had a very unusual assembly this morning when we welcomed Reef and his reptiles! We got to touch Burmese Pythons a Bearded Dragon and an Iguana. We also saw a Tarantula and a Chameleon. For many of us the highlight was stroking a Memphis Skunk!!
