14th July 2017

Ordinary Time

You will have received a letter this week informing you of your child's class teacher next academic year. On Monday we will have our 'meet the teacher' morning; this will take place at 9.15 am so we kindly ask that children line up in their current year groups as normal.

The final concert for those pupils in year five who have been learning to play an instrument through wider opportunities, will take place on Monday morning at 11 am. Parents are very welcome to attend; we know you will be entertained by a wonderful musical treat. We would like to extend our grateful appreciation to the tutors who have worked with the children all year.

Next week we are looking forward to our Key Stage 2 production of 'Olivia' starring the pupils in year six. Also next week the pupils in year three will be going on their first residential trip to the Beeston Centre. We hope this will be a very enjoyable week for all.

Primary Stars

Thank you to those parents who nominated our school to be a part of the Premier League Primary Star education programme for girls and boys aged 5-11. As a result of our nomination we were entered into a prize draw and we were selected to win a Premier League Primary Stars Book Box which arrived today. It is bursting with 15 titles by famous names like Cressida Cowell, James Patterson, Jaqueline Wilson and Frank Lampard! The children are very excited to get their hands on these wonderful books!.

Today children in Year 5 and Year 6 cooked rations that would have been common in World War 2. Below are some comments from the children:-

' We made meals that we would have eaten back in WW2. We chopped up leeks which was very hard and carrots. We made a stew which was delicious' Spencer Adamson

'Today class 5 made 'rations' to have a good idea of what people ate during World War 2. The first meal was a leek, carrot and oats stew. After that we ate an amazing cauliflower and potatoes topped with cheese and finished off with a carrot cake.' Joseph Leyshon-Jones

Menu Week -3

Attendance

Best Class Attendance

Congratulations to Class 3 for achieving 99% attendance this week, however, overall it has been a disappointing week. Lates are so much better this week, three classes with 0 and two with only 1, don't be the one letting your class down! Let's put in a huge effort and see if we can have zero lates next week across the board!

Cheshire Fire and Rescue.

Further to the visit by Cheshire Fire and Rescue last week they have provided a link to their website for children to access Sparkton, where they can play games and learn safety tips. Visit www.sparkton.co.uk

St. Luke's Church invites all children up to Year 3 to join the Children's Liturgy at the Parish Centre every first and third Sunday of the month at 10am. Parents with young children are welcome to stay too. This is an opportunity the Church is offering to help the children understand the Gospel at their level and participate in the Sunday Eucharist. Please spread the word and we are looking forward to seeing new children joining in!
