

St Luke's Catholic Primary School Newsletter

9th February 2018

Ordinary Time

This week the pupils in all classes engaged in a variety of activities to support safer Internet day. At St Luke's we recognise that the use of technology and the use of the internet is an integral part of living within the twenty first century. While it is important that our pupils are equipped with the necessary skills; a priority is that they remain safe. We invite you to share in these important discussions with your children.

We were delighted to see the many visitors to St. Luke's pre-school this week; they included the police and fire service sharing information about the job that they do within the community. This was a wonderful experience for the children.

On Tuesday afternoon, Class Three presented their class assembly. Thank you to all the parents and Grandparents who attended. The children focused on the sacrament of Reconciliation; how we can all show forgiveness to one another. This is particularly relevant as we approach the beginning of Lent.

Next Wednesday is **Ash Wednesday**, we will have an Ash Wednesday service here in school with the children. Pupils in Key Stage 2 will receive the ashes.
