Fifth Sunday of Lent

Try to take time during Lent to share together the readings from the Wednesday Word

As this week is Science week our pupils have been engaged in many experiments on the theme of **Exploration**. This is the perfect opportunity for young enquiring minds to work together, sharing ideas to help them find answers.

This is particularly poignant on the week when Stephen Hawkin sadly passed away, he once said "to understand Science is to understand the world". Hopefully this week we have given our pupils a better understanding of the world.

In the past two weeks the pupils in Class Four have been busy participating in a range of musical celebrations. Last week they attended St. Nicholas music festival; this week it was '**Amasing**' at the Chester Storyhouse. The pupils have thoroughly enjoyed both events; it is also evident that they are growing in confidence as a result. As always we are extremely proud of our pupils, this has been echoed by the many positive comments received by the family and friends of the pupils who participated. A sincere thank you to Mrs Fairman and Mrs Harrogate who supported the children on both occasions, we appreciate the commitment shown.

Yesterday evening many of our children attended the 'FoSL Movie Night', it was a huge success. The children were entertained as well as enjoying a portion of chips supplied by our local chip shop. The children obviously enjoyed the evening. Our grateful appreciation goes out to all the members of FoSL who organised this event, the many parents who supported on the evening and to E J Fry Days who most definitely contributed to the success of the evening.

It has been brought to my attention that some parents have indicated that they weren't aware of this event. This has been an ongoing feature of our newsletter for the past few weeks; it has also been highlighted on the school calendar on the website. With such events there has to be a cut-off point to be clear of the numbers and for safeguarding purposes to have a clear list of children who will be attending. All such events are now paid for through parent pay, please access regularly. I therefore hope that going forward there won't be any further disappointment.

Thank you to everyone who has supported the recent events and to the children who have well and truly got into the spirit of the '**Mad Hair Day**', we appreciate your support. Wishing everyone an enjoyable weekend particularly those of Irish Heritage who will be celebrating the feast of their patron Saint St Patrick.

St Lukes's Pre-School

On Monday our pre-school children went to Chester Zoo. Although it rained we had a fantastic time seeing all the different animals and travelling on the 'big bus'. Many of the children have told us that the best part was seeing a 'human' in the big fish tank. We would like to thank our parent volunteers who helped us make the trip possible and hope you also had a fantastic time.

During the week the children have been printing in paint with the zoo animals and creating and making lots of different animals that we saw at the zoo.

We will continue over the next couple of weeks using animals to support the children's learning experiences.

Just to remind our parents we are now selling raffle tickets for our Easter raffle which will be drawn on Wednesday 28th March.

St. Luke's Church invites all children up to Year 3 to join the Children's Liturgy at the Parish Centre on the first Sunday of the month at 10am. Parents with young children are welcome to stay too. This is an opportunity the Church is offering to help the children understand the Gospel at their level and participate in the Sunday Eucharist. Please spread the word and we are looking forward to seeing new children joining in!

Music group St Luke's Parish

The group plays the **second** Sunday of each month during the 10am Mass.

The rehearsals are every Wednesday 7.30-8 in St Luke's parish centre **except** the Wednesday immediately after playing.

Children (and adults) from St Luke's school are welcome to attend rehearsal and/or sing in Mass.
