## Holy Week

Try to take time during Lent to share together the readings from the Wednesday Word

As this term comes to an end and we look forward to the Easter break, there's lots to celebrate. This morning the children led us in song and prayer at our end of term Mass. Father spoke about the Easter Triduum and the importance of taking an active involvement in all of the services in the coming days.

As always during Lent, we encourage our pupils here at St. Luke's to think about the needs of others. The children from both the Minnie Vinnie's and Cafod groups have organised a variety of fund raising activities. We are very proud of them all and of all the children who supported the activities in any way. We will inform you of how much we have raised when we return after the Easter break.

On behalf of all the staff, I wish you and your family a very Happy and Holy Easter break. We look forward to seeing you when we return on Monday 9<sup>th</sup> April 2018.

### Mobile Phones

There are a significant number of children bringing mobile phones to school. We can only accept the phones of those pupils who are walking to and from school. We kindly ask that parents encourage their children to leave their phones at home if not required for this purpose.

Please could we kindly remind parents that in order to make a prompt start to the school day, teachers can not stand and talk in the morning. If you have something urgent you need or would like to discuss, please leave details at the school office. Thank you.
