ROYAL WEDDING WEEK

Congratulations to the pupils in Year Three who represented our school this week. They took part in the Frodsham and Villages Diamond Cricket Tournament. This version of the game was relatively new to all our pupils however, they returned with smiles on their faces and proudly wearing a bronze medal having come third in the competition. This is an example of the confidence our pupils are now displaying following the increased participation over the past three years. Thank you to Mr Broome who was our Grandparent volunteer on the day.

You may well have noticed the recent television advertising campaign for the Daily Mile, we are very proud to say this is something that is now well established here at St. Luke's. We have now been participating in this for almost two years. We firmly believe that this is having a positive impact on our health and wellbeing. We would like to invite all parents to join us on our daily mile on Friday 25th May at 2.40 pm.

Yesterday the whole school attended church to celebrate as a school and parish community the feast of the Ascension. As always we were very proud of the way our pupils conducted themselves. Thank you to Father Kenny for leading us in this celebration.

We would like to invite you to view some of the wonderful art work that has been produced by our pupils during the recent Artsmark week. We are very excited to be holding our first exhibition at the Castle Park Arts Centre from Wednesday 15th May. We have a small exhibit in the Café area of the centre. We are so proud of our children's work we want to share it with our local community and visitors. We hope that over the next six weeks you will visit the centre with friends and family and share in this exciting experience for our pupils. We hope this is the first of many exhibitions.
