Following in the footsteps of Jesus, we learn, love and laugh together

25th January 2019

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in their **Number Day** on **Friday 1 February 2019**.

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it, as well as raising money for such a worthy cause.

On Friday 1st February, we will be taking part in *Dress up for Digits*, when the children will be invited to dress up using numbers as the inspiration. Maybe they could be a calculator, a dice or even a Sudoku board! Or how about being a famous mathematician? Einstein, Newton or Archimedes! See how creative you can be! To help raise money for the NSPCC, we are asking for a donation of **£1** (which can be paid using **Parent Pay**), and we would love everyone in the school to take part in this special event. In addition, each class will be taking part in fun curriculum-based maths challenges designed by the NSPCC, Oxford University Press and Maths on Toast.

We are looking forward to all the fun of **Number Day**, and we really appreciate your support. The money we raise will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you for your continued support.

Yours sincerely,

M.Grealis
Deputy Headteacher
