*Following in the footsteps of Jesus, we learn, love and laugh together*

2<sup>nd</sup> February 2019

Dear Parents

We are delighted to say that we have survived the weather conditions during the past three days. Wednesday was the most challenging day for parents and staff alike; particularly as many of our staff have to travel long distances. In situations like this the most important thing is the safety of all our stakeholders.

My grateful appreciation to Mr Dans and all the staff who worked hard to ensure school life continued as normal as possible.

We always endeavour to communicate quickly and efficiently. We do encourage our parents to sign up to our 'Parent App', as we aim for this to be our prime messaging service. We will continue to support this with twitter, text and email where appropriate.

This week there has been a request for a donation towards the cost of a visiting lecturer (a qualified physicist) for year 5 and 6 to explore their current topic on Forces Science. As always we want to ensure all pupils experience a broad and balanced curriculum, and where possible access specialist knowledge. The cost of this visit has already been subsidised by school. Unfortunately without your voluntary contribution this workshop will have to be cancelled.

A reminder to all those parents who have children on this year's Sacramental Programme there will be a meeting for parents on Wednesday 6<sup>th</sup> Feb at 6.30pm in the Parish Centre.

We have now re-arranged Movie Night to go ahead next Thursday after school (weather permitting). Details remain as advertised.

Unfortunately the FoSL Quiz Night due to take place on Friday 8<sup>th</sup> Feb has now been cancelled. Sadly only 13 tickets were sold. Money will be refunded at the earliest possible date.

Yours sincerely

E. Murtagh  
Head teacher
