

St. Luke's Catholic Primary School

MAJOR INCIDENT RECOVERY POLICY AND PLAN

Adopted by the Governing Body 2021

Review Date: March 2022

Policy Statement

St Luke's Catholic Primary School is totally committed to ensuring that, in the event of a major incident, the school will provide a high level of care and education for its population.

The Director of Children's & Young People's Services (CYPS) will be informed immediately if this plan comes into effect.

The Headteacher and the Governing Body of ***St Luke's Catholic Primary School*** are responsible for annually reviewing the Plan and identifying areas of weakness.

The school is responsible for updating relevant sections of the Plan on a regular basis.

The Governors of the school uphold the CYPS Managing School Emergencies advice.

Definition

A major incident may be defined as a physical incident or psychological trauma that has a severe immediate impact and likely long-term effect on pupils, staff, governors or parents.

It may involve significant threat, damage or injury to property and /or individuals.

Aims

1. To minimise educational and administrative disruption within school
2. To maintain a duty of care
3. To enable normal working to be resumed in the shortest possible time

Objectives

1. To ensure control is established at a senior level within school at the critical early stages of a major incident situation
2. To provide the Director of Children's & Young People's Services with a detailed list of actions to cover the initial period following a major incident, up to and until the repaired or rebuilt premises are reoccupied

Preamble

It is impossible to predict when a major incident may occur or what form it may take, but the following may be considered as examples:

- Fire or flood to buildings and contents
- Death, accident or assault to members of staff or pupils
- Natural major incident within the local community
- Terrorism
- Missing Person(s) /abductions

The Major Incident Policy and Plan cannot cover every aspect of recovery from a major incident.

Occurrences may arise which cannot be for-seen or considered.

The major incident may occur during the school day, during the evening, during the school holidays or on a school trip.

Dealing with a 'low incidence, high consequence' emergency will always be a challenge, and the amount of preparation which is reasonable should always be balanced against an assessment of risk.

To be prepared for one eventuality is to be prepared for all.

It is important that the incident policy is easily understood and swings into action immediately.

The following must be remembered in relation to the incident policy:

- that it is followed as closely as possible;
- that designated personnel understand their tasks and are competent to carry them out;
- that other people do not take unilateral actions;
- that consideration and sensitivity is shown by all;
- that pupils, staff and parents are protected from press intrusion;
- that normal business be resumed as soon as possible;
- there is a realisation that total recovery may take a long time.

The Major Incident Recovery Team (MIRT) has responsibility for ensuring that procedures are properly addressed at times of high emotion and that if the Headteacher is the subject of the incident then the response mechanism should proceed effectively. If the incident involves legal action, a precise response to the incident should be known and is able to be verified by more than one person.
