

# A New Normal

## **Prayer Leader:**

Take a moment to think: is there anything you need to say sorry to God for?

Maybe there have been moments where you've snapped at your family or, perhaps, they have been grumpy with you.'

Tell God now and ask for His forgiveness.

**Thursday**

**Prayer Leader:**

Let's pray  
together:

**All:**

Dear God,  
Thank you that you  
are full of love for me.  
Thank you that when I  
say sorry, you will always  
forgive me.  
Amen
