

Make Me Hopeful

Tuesday

Prayer Leader:

This week we are praying hopefully
with Pope Francis.
He says:

Reader:

“This is what Christian hope is:
the future is in God’s hands.”

Prayer Leader:

When we realise this, we don't have to worry about the future. Jesus has told us that we won't be alone.

Let's think for a moment about the things that we hope and pray for:

- Do we hope and pray only for what we want, or can we leave the future in God's hands?

Take a moment to ask Jesus to hold your hand as He guides you through today.

Prayer Leader:
Let's pray together:

All:
Jesus,
Make my heart open
to goodness,
make my eyes open
to beauty,
make me hopeful.
Amen
