

# Live in Me

**Tuesday**

**Prayer Leader:**

God is our loving, protecting parent.

When we're happy or pleased about something, we want to tell our mum or dad. When we're sad, we want to feel their comfort and care for us then too.

God loves us like a tender parent and wants us to share our feelings with Him every day.

**Prayer Leader:**

Father, sometimes I feel that things are too much for me.

Sometimes I don't know what to do, who to talk to, or how to ask for help.

Sometimes I feel down and confused.

**All:**

Father,  
Give me what I need for today.  
Open my eyes to the ways that I'm  
cared for by those who look after me.  
Thank you that with you watching  
over after me, I'm in safe hands.  
Father, help me know your love.

Amen
