

Live in Me

Friday

Prayer Leader:

The Holy Spirit was Jesus' gift to His disciples. He is the helper, the friend who stayed with them after Jesus had gone back to heaven.

Holy Spirit, come and live in me.
Bring peace to my heart and understanding to my mind.
Help me to make good, wise choices and the strength to put up with what I must.

Prayer Leader:

Holy Spirit, sometimes I fall out with my friends. I end up thinking badly of them and don't want to talk to them.

Later, I don't feel so bad but I'm not always sure how to make it better. Sometimes it feels like I've lost something special.

All:

Holy Spirit,

Soothe my heart when I feel upset.
Let me tell you about all my troubles.
You are the best listener and
my closest friend.

Holy Spirit, live in me.

Amen
