Tuesday

Prayer Leader:

When Naomi knows Uncle Andy is on his way, she gets her chores and her homework done so that she isn't in the middle of something when he arrives.

Prayer Leader:

Mass is special - even if we don't fully understand everything that goes on.

Just by being there, we are growing in love for Jesus.

When we're at Mass, we can relax, knowing that Jesus is with us. That can help stop us from getting distracted by anything else.

Prayer Leader:

Let's practice making a quiet space in our hearts now so that we can talk to Jesus.

You might like to close your eyes as you talk to Jesus.

Complete the prayer in your own words, either aloud or in your heart:

All:

Dear Jesus,

Today, I've been feeling...

That's because...

I want to say thank you for...

Amen
