

Welcome Home

Friday

Prayer Leader:

Naomi knows that Uncle Andy
always thinks well of her.

He loves her no matter what.

That's what makes it great to be
in his company.

Prayer Leader:

Before we go to Mass, we can try to make friends again with anyone we might have fallen out with during the week.

A smile or a friendly word might be all that it needs!

Prayer Leader:

Before we pray, you might like to have in mind someone that you want to say sorry to or, perhaps, a person that you can help in some way.

Complete the prayer in your own words, either aloud or in your heart:

All:

Dear Jesus,
I know it's best when we get along
with each other and help each other out.
It's not always easy though.
With your help, I will try to...
I ask you to help me to be more...
Amen
