Learning Project Week Commencing 29/6/20 - Music

Year 1

| Weekly Reading Tasks | Weekly Phonics Tasks |
|--|---|
| <p>Monday- Listen to the programme Instruments Together. Your child can design a poster for a concert – who will be performing? What instruments will be played?</p> <p>Oak Academy Lesson – Listening to the story, 'Eddie's Garden', and answering questions - Click Here</p> | <p>Monday- Can your child list different musical words that begin with the letters M, U, S, I & C? How many can they write? Can they identify rhyming words?</p> |
| <p>Tuesday- Ask your child to read a favourite story or to read Rumpelstiltskin here. When reading, play some classical music. Talk to your child about how it made them feel. Mind map their feelings after this e.g. relaxed, calm.</p> <p>Oak Academy Lesson – Committing instructions to memory with an instruction map - Click Here</p> | <p>Tuesday- Look at the following sounds: ai, ay, igh. Read the following words out and your child can match the correct sound to the word: nail, light, play, pray, night, paint, fight, spray, day, may, tray. Look for objects in the house with these sounds.</p> |
| <p>Wednesday- Read along to the story Every Bunny Dance. Following this, ask your child to list all of the instruments and dances that appeared in the book.</p> | <p>Wednesday- Ask your child to add the 'ing' suffix to these root words: beat, clap, dance, sing, hum e.g. beat+ing = beating. Where does the rule change?</p> <p>Oak Academy Lesson – How to make a noun plural - Click Here</p> |
| <p>Thursday- Practise a favourite rhyme or poem. Your child could learn the National Anthem for their country. Create actions and perform this to the family.</p> | <p>Thursday- Play this plural game or this investigating 'ai' game.</p> <p>BBC Bitesize Lesson – Alphabetical order - Click Here</p> |
| <p>Friday- Listen to the story of a poor musician and a stray dog. Stop the film at certain points, e.g. 5:11 or 5:43. Discuss together what the characters might be thinking. Can your child draw thought bubbles showing this?</p> <p>BBC Bitesize Lesson – 'George's Marvellous Medicine', by Roald Dahl. Click Here</p> | <p>Friday- Write a list of musical words on paper/card. Play snap using these words. Rule: to be able to read the word to win!</p> |
| <p>Extras</p> <ul style="list-style-type: none"> - Check for new activities on Active Learn - Visit Storylineonline.net to listen to books read by famous people. - Use Oxford Owl for access to eBooks.  | <p>Extras</p> <ul style="list-style-type: none"> - Access Daily Phonics on Youtube - Choose a spelling activity to do from the School Website - Access Phonics activities on Phonics Play  |

| Weekly Writing Tasks Oak Academy Focus – Instruction writing | Weekly Maths Tasks- Shape Oak Academy Focus – Equal groups and arrays BBC Bitesize Focus and White Rose Focus – Place value and money |
|---|---|
| <p>Monday- Make an A-Z list of musical vocabulary. This could include instruments, artists or musical verbs. Apply some of these into sentences.</p> <p>BBC Bitesize Lesson – Practicing writing questions - Click Here</p> | <p>Monday- Can your child complete the patterns on these sequencing games using 2D shapes? This will help your child to recognise 2D shapes and to problem solve.</p> <p>Watch the White Rose Video on ordering numbers, then complete Day 1 worksheet</p> <p>BBC Bitesize Lesson – Counting to 100 - Click Here</p> <p>Oak Academy Lesson – Sharing a total equally to find the number of groups - Click Here</p> |
| <p>Tuesday- Create fact files about musical instruments. This could include where they originate from, what they're made from, etc. Your child can include an illustration of the instrument and label the parts.</p> <p>BBC Bitesize Lesson – Counting poems - Click Here</p> | <p>Tuesday- Look at the tins/cartons of food in your cupboards. Discuss with your child which ones are cylinders, which are cubes and which are cuboids. Sort them into groups. Which 3D shape do they think makes the best packaging and why?</p> <p>Watch the White Rose Video on recognising coins, then complete Day 2 worksheet</p> <p>BBC Bitesize Lesson – Recognising coins - Click Here</p> <p>Oak Academy Lesson – Sharing a total equally to find the number of groups - Click Here</p> |
| <p>Wednesday- Can your child rewrite the events from Every Bunny Dance as a newspaper report? If this is too challenging, they could draw the events in a comic strip style using words such as 'first', then, and 'after that'.</p> <p>BBC Bitesize Lesson – Curly caterpillar letters and exclamation marks - Click Here</p> | <p>Wednesday- Ask your child to practise spelling the names of these 2D and 3D shapes- square, circle, rectangle, pentagon, hexagon, octagon, cube, cuboid, sphere, pyramid.</p> <p>Watch the White Rose Video on recognising notes, then complete Day 3 worksheet</p> <p>BBC Bitesize Lesson – Recognising notes - Click Here</p> <p>Oak Academy Lesson – Exploring arrays - Click Here</p> |
| <p>Thursday- Task your child with writing their own family song. When ready, they can perform it- perhaps to a family member on Facetime (with adult supervision).</p> <p>Oak Academy Lesson – Beginning to write instructions - Click Here</p> | <p>Thursday- Go on a shape hunt around the house or on your daily walk. Label things that match the shape names they have been practising.</p> <p>Watch the White Rose Video on counting in coins, then complete Day 4 worksheet</p> <p>BBC Bitesize Lesson – Counting money - Click Here</p> <p>Oak Academy Lesson – Exploring arrays, part 2 - Click Here</p> |
| <p>Friday- Visit the Literacy Shed for this wonderful resource on Once in a Lifetime or your child can create an invitation for their family song performance.</p> <p>Oak Academy Lesson – Continuing to write instructions - Click Here</p> | <p>Friday- Describe 2D shapes to your child based on their properties. Ask your child to draw the shape or make the outline using pasta or rice.</p> <p>BBC Bitesize Lesson – Challenge of the week - Click Here</p> <p>Oak Academy Lesson – Halves and quarters of quantities - Click Here</p> |

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about music. Learning may focus on famous musicians, listening to and performing music and exploring a range of music genres and instruments.

- **Famous Musicians-** Find out about famous singers and bands from Birmingham. Listen to some of their music. Ask your child to list what they like/dislike about the music. What genre of music is it? Does it remind them of any singers or bands that they know? Create a fact file about the musician/s.
- **Making Music-** Task your child with making a variety of shakers. Using empty bottles from the recycling, fill them with different dry foods/things from the garden. How can they make the shakers sound different? Ask your child to use the shakers during their family song performance (see above). They could also write a set of instructions for making your own musical shakers.
- **Making More Music!-** Can your child use different parts of their body to make music e.g. clicking fingers, stamping feet. After this, ask your child to design a new instrument. This could be an instrument that belongs to the woodwind or brass family. They can draw and label their design and then make it using materials from the recycling. Does it work? Ask your child to record 3 ways they could improve their design.
- **The Four Seasons-** Vivaldi wrote *The Four Seasons* during the early Classical period. Divide a piece of paper into 4 and ask your child to draw each season in each box as they listen to the music [here](#). Discuss how each movement sounds different e.g. Spring is energetic and has a fast tempo.
- **What can I Hear?** Ask your child to visit different places in the home and garden. Get them to list all of the different sounds that they can hear e.g. the humming of the fridge. Which room is the noisiest? Encourage them to use words such as **volume, tempo, pitch** and **beat**. After this, ask your child to record the sounds and play them to the family. Can the family guess where the sound is coming from? Alternatively, your child can replicate the sound and the family could guess this way instead.

Please tweet any pictures or activities for Mr Taylor to see on Twitter, or upload any work and photographs to the school scrapbook areas on the website. The class twitter page is @Y1stlukesfrod 😊

Please try to check in on the class discussion page at least once every week.

Coronavirus and Wellbeing- Returning to/Being at School

The change that Covid-19 has caused to our lives has been difficult and has provided countless challenges. For many children, the uncertainty and disruption to everyday life has caused worry and anxiety. These tasks are designed to help children process the current situation, begin to make sense of it and plan for returning to a different normal.

Think

- Ask your child to think about how they are feeling about returning to being at school. Can they list two or three feelings? Explain to your child that it is okay to feel like this and many children across the world are most likely feeling the same. Your child could draw a heart or a rainbow for other children and list kind words for them.

Talk

- Does your child have any questions about what school will be like when they eventually return? Or any questions about what they have noticed since returning? Discuss the changes that will be in place when they return or the changes that are already in place e.g. more handwashing, how to social distance, etc. Then talk about all of the things that will remain the same e.g. wearing the same uniform, seeing the same teachers, etc.

Do

- The thought of returning to school will fill many children with a mixture of excitement and apprehension. Why not make a positivity box? Your child could add items to this box that make them feel safe and provide comfort e.g. a smooth stone to hold. When they are feeling apprehensive, they could choose an item from the box to hold and think about a time when they felt calm.

Visit

- Use this [Balloon](#) or [Aeroplane](#) game to encourage your child to record their worries about returning to school.

STEM Learning Opportunities #sciencefromhome

Making Instruments – Animal Sounds

- How many different animal sounds can you make with your voice?
- Try making an instrument that sounds like a chicken. You will need: tin can/plastic cup, and some string.
- Make a small hole in the base of a tin can or plastic cup.
- Thread string through with and knot on the inside. Wet your fingers and run them down the string to produce a chicken noise.
- For more ideas take a look at the full resources [here](#).

Additional learning resources parents may wish to engage with

This week's [BBC Bitesize Foundation Subjects](#) timetable:

| Monday | Tuesday | Wednesday | Thursday | Friday |
|-----------------------------------|---|-----------------------------|--|---|
| History Stephen Hawking | Geography Introduction to seasons | Science Dinosaurs | German Numbers, food and drink | Design and Technology Sources of energy |

This week's Oak Academy Foundation subjects:

Monday – A Geography Lesson – How deep is the ocean? [Click Here](#)

Tuesday – A Spanish Lesson – Describing family members - [Click Here](#)

Wednesday – A Science Lesson – Describing the pitch of sounds - [Click Here](#)

Thursday – A Geography Lesson – Why are our oceans important? [Click Here](#)

Friday – An Art Lesson – Creating a sculpture using reusable materials - [Click Here](#)

Other resources to access:

- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [Numbots](#). Your child can access this programme with their school login.
- IXL- Click here for [Year 1](#) . There are interactive games to play and guides for parents.

- [Mastery Mathematics Learning Packs](#) Learning packs with different activities and lessons. Includes notes on how to do these activities with your children.
- [Y1 Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
- [Elsa Support](#) - Support for children's wellbeing.
- [Code Studio](#) - Children can continue to work through their code studio programme using their login details provided.
- [Joe Wicks](#) - Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.
- [MyHappyMind](#) - Please remember you have access to our mindfulness and wellbeing programme via the parent app.
- [BBC Supermovers](#)[Joe Wicks](#) - Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.
- [MyHappyMind](#) - Please remember you have access to our mindfulness and wellbeing programme via the parent app.
- [BBC Supermovers](#)

If your child requires more of a challenge, or you believe that there are some gaps in their learning then [Century Tech](#) is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up [here](#).
