Learning Project Week Commencing 13/7/2020 – Transition

Year 5

This week's learning project focuses on supporting your child with transitioning to their new class.

It will give them the opportunity to reflect on their time in their current class, discuss their favourite memories and achievements whilst also considering their hopes and dreams for the next academic year.

Transition Activities

MEMORIES

Monday- Starting a new academic year is a time for your child to say farewell to current teachers and classmates and hello to many new faces. It is important for your child to cherish their favourite memories. Ask your child to **create a drawing or art piece of their special memory** and frame it in a hand-made photo frame. They may choose to draw a favourite lesson, a funny moment with friends, a school trip, their favourite teacher or a job role they were proud of. They may choose to decorate the photo frame provided or to craft their own using card. [Click here for photo frame ideas.](#)

BBC Bitesize – Reading and using texts - [Click Here](#)

ACHIEVEMENTS

Tuesday- Every child is unique and special. Over the course of the last year, your child will have achieved so much. Whether that's learning their times tables, swimming without armbands or having the confidence to put their hand up in class and offer an answer. Remind your child that an achievement is something that has been accomplished through **great effort, skill, perseverance or courage** then ask them to mind map all of their achievements this year, both in school and outside of school. Look at the mind map together and ask your child to identify their greatest achievement? Encourage your child to write about this special achievement. How did they accomplish this? What barriers did they face? Who helped them? They could record this as a story featuring themselves as the main character, a newspaper report or even write a rap!

Maths Activities to access:

White Rose – Watch the [White Rose Video](#) on imperial units, then complete [Day 2 Worksheet](#)

BBC Bitesize – Understanding and using approximate equivalences between metric units and imperial units - [Click Here](#)

BBC Bitesize – Investigating legends - [Click Here](#)

SAYING FAREWELL

Wednesday- Ending the academic year can be a time that is full of mixed emotions for many children. However, whilst many aspects of school life change, many remain the same too. Spend some time with your child discussing all of the **similarities and differences** between their current class and the new class that they will be going into. For example, their lunchtime may remain the same or they will now get to learn how to play the ukulele. Following this, ask your child to record the similarities and differences using the table below.

A new year is also a great time to make **new friends**. Can your child create a poster that illustrates top tips for making friends and showing kindness? They could speak to family members or their own friends to gather some ideas first.

Maths Activities to access:

White Rose – Watch the [White Rose Video](#) on converting units of time, then complete [Day 3 Worksheet](#)

BBC Bitesize – Converting between different units of time - [Click Here](#)

English Activities to access:

BBC Bitesize – Analysing legends - [Click Here](#)

INDIVIDUAL QUALITIES

Thursday- Art can be a great tool for self-exploration and self-expression. Encourage your child to create a piece of artwork which represents their **personality** and highlights their individual qualities. This could be a picture or something more abstract using materials available at home. Your child may find listening to their favourite music encourages their own expression. Once completed, ask your child to discuss their artwork with you. What did they want to represent in this piece? How did they try to show off their personality through their artwork?

Maths Activities to access:

White Rose – Watch the [White Rose Video](#) on timetables, then complete [Day 4 Worksheet](#)

BBC Bitesize – Understanding and interpreting timetables - [Click Here](#)

BBC Bitesize – Writing a myth - [Click Here](#)

GOAL SETTING

Friday- Setting goals is an excellent way for your child to try and achieve things that they might not think is possible. Goal setting will also help your child to improve their **confidence** and **self-esteem** when they see that they can achieve the target they've set. Create a '**Wheel of Fortune**' together (see below). Use the headings: Learning, Friendships, Physical Challenge, Wellbeing and Family. Under each heading, ask your child to write a goal thinking carefully about how long it will take to achieve each goal, who or what can help them and any difficulties they may have to overcome.

Additional Learning Resources Parents May Wish To Engage With:

This week's [BBC Bitesize Foundation Subjects](#) timetable:

Monday	Tuesday	Wednesday	Thursday	Friday
Science Challenge Spectacular space	Sport UK Coaching	Sport TBC	Dance and Music Alice's Adventures in Wonderland The Mad Hatter's Tea Party - Riddles and Rhymes	Cooking Cook pancakes on the hob

Other resources to access:

- Tips and resources to support transition from Mentally Healthy Schools can be found [here](#).
- Childline wants to help bring out the best in your child through some [easy-to-do activities](#).
- The [BBC Bitesize website](#) has lots of helpful videos to support transition for both parents/carers and children.
- [Parentkind](#) provides handy hints to help prepare your child for their new class.
- [Times Table Rockstars](#) and [Numbots](#). Your child can access both of these programmes with their school logins. On Times Table Rockstars, children should aim to play Soundcheck for 20 minutes daily.
- IXL online. Click here for [Year 5](#) – There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#). Take a look at the mastery mathematics home learning packs with a range of different activities and lessons.
- [Y5 Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
- [Duolingo](#) – Use your log in details to access your account and practice your French skills! You can also access French activities under the Home Learning Tab.
- [Elsa Support](#) – Support for children's wellbeing.
- [Code Studio](#) – Children can continue to work through their code studio programme using their login details provided.
- [Joe Wicks](#) – Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.
- [MyHappyMind](#) – Please remember you have access to our mindfulness and wellbeing programme via the parent app.

Enjoy your last four days of being in Year 5, everybody! Please share your memories and achievements on our class twitter page @Y5stlukesfrod, or on the school scrapbook page. Miss Palmer loves to see any pictures or activities that you upload! 😊 Don't forget to comment on the class discussion page too; the last one of Year 5!

This week, you will have the chance to have a 'Meet the Teacher' Zoom Call with your new class teacher for September. How exciting! 😊 Details of this will be emailed out on Monday.

Have a good week everybody! Miss Palmer 😊
