*Following in the footsteps of Jesus, we learn, love and laugh together*

Tuesday 12<sup>th</sup> January 2021

Dear Parents,

Following on from the text that was sent this morning. We wanted to make you aware that as a school, we are able to request free mobile data increases for families **who do not have broadband at home** & would struggle paying for extra data during lockdown.

**Three, Smarty, Virgin Mobile, EE, Tesco Mobile & Sky Mobile** are currently the only networks taking part in the scheme.

If you are a user of these networks and DO NOT have access to broadband at home, we can apply on your behalf. Please provide contact school and provide the following details:

For each request, we need to know:

- the name of the account holder
- the number of the mobile device
- the mobile network of that device (for example Three)

**Please complete the questionnaire on the school website.**

## Privacy statement

1. For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities.
2. If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator.
3. The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for the offer.
4. The adult account holder's personal data is only shared with their mobile network operator for the purposes of the offer. No names of children or other adults, other than adult account holder, are shared with the DfE or the mobile network operator.
5. No personal information will be shared with the DfE if you do not want to take up the offer.
6. If you want to know more about how your personal information will be used before you take up the offer, we can send that to you first.
7. If you decide to take up the offer, you'll get a text message from the Department for Education with more information about your data protection rights.
