

Live in Me

Saturday

Prayer Leader:

The Holy Sprit is always with us,
sharing our hopes, fears and joys.
The Holy Spirit is our most
attentive friend.

We can listen to His voice within us:
a voice that is gently encouraging,
supportive, loving, kind and strong.

Prayer Leader:

Holy Spirit, sometimes I feel fine
and content with the world.

I count my blessings and know
that I am loved!

All:

Holy Spirit, as I breathe in and out,
I say thank you for the life in me.

When I see something beautiful in
nature, I am glad and grateful for
your world.

When someone does something
kind for me, I realise that you want
to give me peace, hope and love.

Holy Spirit, live in me.

Amen
