

Year 1 Planner

Created in partnership with

Year 1 progression: compared with the first edition, note that the Numbers to 20 unit now falls in Term B and that Addition and Subtraction in Term A are now separated out into separate units. You can see how the progression of lessons within the units has changed by looking at the progression file for KS1.

Resources to have ready: in the Autumn term you are mostly going to need counters and 10 frames.
